

GOOD FRIDAY LYRICS

KARIS CHURCH

Come to Jesus

Verse 1

Come to Jesus all who feel weak and heavy laden
Rest upon the work that Jesus has already done
Lay aside your laboring and sit at the feet of Jesus
There is nothing left for you to do it's already done

Chorus

Enter in to God's rest offered to you as you are
Clothed in the obedience of God's holy son

Holy Holy Holy

Verse 1

Holy, holy, holy! Lord God Almighty!
Early in the morning our song shall rise to thee.
Holy, holy, holy! Merciful and mighty!
God in three Persons, blessed Trinity!

Verse 2

Holy, holy, holy! All the saints adore thee,
Casting down their golden crowns around the glassy sea;
Cherubim and seraphim falling down before thee,
Who wert, and art, and evermore shalt be.

Verse 3

Holy, holy, holy! Though the darkness hide thee
Though the eye of sinful man thy glory may not see,
Only thou art holy; there is none beside thee
Perfect in power, in love, and purity.

Verse 4

Holy, holy, holy! Lord God Almighty!
All thy works shall praise thy name in earth and sky and sea.
Holy, holy, holy! Merciful and mighty!
God in three Persons, blessed Trinity!

The Old Rugged Cross

Verse 1

On a hill far away stood an old rugged cross
The emblem of suffering and shame
And I love that old cross where the earest and best
For a world of lost sinners was slain

Chorus

So I'll cherish the old rugged cross
Til my trophies at last I lay down
I will cling to the old rugged cross
And exchange it someday for a crown.

Verse 2

Oh that old rugged cross so despised by the world
Has wondrous attraction for me
Where the dear lamb of God left his glory above
To bear it to dark calvary

Verse 3

To the old rugged cross I will ever be true
It's shame and reproach gladly bear
Then he'll call me some day to my home far away
Where his glory forever I'll share

Beautiful Scandalous Night

Verse 1

Go on up to the mountain of mercy
To the crimson perpetual tide
Kneel down on the shore be thirsty no more
Go under and be purified

Verse 2

Follow Christ to the Holy mountain
Sinner, sorry and wrecked by the fall
Cleanse your heart and your soul in the fountain that flows
For you and for me and for all

Chorus

At the wonderful tragic mysterious tree
On that beautiful scandalous night you and me
Were atoned by His blood and forever washed white
On that beautiful scandalous night

Verse 3

On the hillside you will be delivered
At the foot of the cross, justified
And your spirit restored by the river that pours
From our blessed Savior's side

Oh God Where Are You Now?

Oh God, hold me now

Oh Lord, hold me now

There's no other man who could raise the dead

So do what you can to anoint my head

Oh God, where are you now?

Oh Lord, say somehow

The devil is hard on my face again

The world is a hundred to one again

Would the righteous still remain?

Would my body stay the same?

There's no other man who could raise the dead

So do what you can to anoint my head

Oh God, hold me now

Oh Lord, touch me now

Raise Up Your Head

Does your body feel broken like a soul stuck to skin?
Have you sunken in sorrow from the effects of our sin?

Straighten up, raise up your head,
Your redemption is drawing near!
And his kingdom is already here.

The countries in chaos, the worlds in distress
But when the earth shakes beneath you,
Recall the source of your rest.

Straighten up, raise up your head,
Your redemption is drawing near.
Son of man, Jesus our king, in great glory will soon appear.
And his kingdom is already here.

All creation is groaning in child birth pains.
But we were born to a hope that conquers death and now reigns.

Straighten up, raise up your head,
Your redemption is drawing near.
Son of man, Jesus our king, in great glory will soon appear.
And his kingdom is already here.

Fix My Eyes

Verse 1

When my heart is weary, when my soul is weak
When it seems I can't traverse the trail before me
I survey the glory of Your agony
And I find the will to fight for what's before me
'Cause You ran the race, enduring for Your glory

Chorus

I fix my eyes on You
The Founder and the Finisher of our faith
I fix my eyes on You
The solace in Your suffering is my strength

Verse 2

As I fight to follow, You're my righteous guide
And You train me to delight in all that's holy
Heal my broken body, cure my crooked stride
Throw off every weight and sin that clings so closely
I will run the race, enduring for Your glory

Bridge

You help me breathe; You're the only life I need
You died for me; You're the only life I need
